

Dear Bromwell Community,

The countdown to summer has begun. There are only 40 days left of school, and a busy 40 days they will be for our children, staff and parents as we wrap up another school year. While hard to believe it is almost over, there are still 40 days left of quality instruction time and we plan to use them most effectively!

Plans for next year are also underway. The personnel committee, which is composed of the principal and teachers from across grade levels, has been busy interviewing applicants to join our staff next year. The teachers include Amy Ford, Andrea Lewis and Sarah Duran. I would like to thank each of them for their dedication (they spent more than 7 hours after school the past two days interviewing) in making sure that Bromwell hires the best applicants available. I intend to share profiles of our new staff members with the community in May once the hiring process is complete.

I regret to announce that Maryann Mendez will be leaving us. In fact, today is her last day. She has taken a position outside DPS and needs to begin her new job immediately. Maryann has dedicated many hours to assisting our inner functions here at Bromwell and she will be missed. We wish her the best of luck in her new position.

I will be out of town for most of next week at a DPS mandated principal leadership conference. I am very reluctant to have to go given all that Bromwell has going on at the moment; however attendance is a district requirement. My availability will be limited, but please be sure that I will respond to any inquiries upon my return the following week. Here is the link to the conference sight for your viewing... www.thenatureplace.net.

Sincerely,

Jody Cohn
