Call to Order and Welcome

Discipline Ladder for Bromwell

- o SOAR Matrix: Safety, Ownership, Achievement, and Respect. The matrix defines expectations and positive behaviors throughout the various areas of our school, which include: the cafeteria, hallways, restrooms, playground and classrooms.

- o Restorative Justice: Restorative justice approaches are a process, which seeks to teach problem-solving skills and conflict resolution. Because the process personalizes any wrong doings, students learn of the consequences of their actions, and are encouraged to take personal responsibility of those actions.

- o Bromwell Discipline Policy: Defines clear expectations through a discipline matrix, provides suggestions for staff in dealing with a difficult or repeated behavior, and defines when behavior issues need to be referred to the office.

Bromwell Marketing

- o Brochure: *Discover the Bromwell Experience: Experience your Neighborhood School, and Experience Joyful, and Enriching Learning.*
- o Infographic: *A visual representation of how DPS & PTA's dollars create The Bromwell Experience.*

The CSC reviewed the Bromwell Brochure and Infographic, and offered some revisions. Jody will work the DPS Marketing Department to make those necessary revisions. Our goal is to have both documents completed by or before the April 16th auction.
