

Bromwell Families:

Welcome and welcome back! As the school year begins, Bromwell PTA must renew its membership with the Colorado PTA and that means renewing former members and adding new ones as well as collecting membership dues.

The dues are \$6.25 per person this year. These funds go directly to the Colorado PTA Membership in the State PTA directly benefits our school by providing our 501(c)(3) tax-exempt status and insurance for events at a significantly reduced cost. By rule, only members of the Bromwell PTA are able to vote on PTA initiatives.

Please help support our kids and our school by getting involved and becoming a member of the PTA. We encourage all adult members of a family to join – please note that memberships are individual not family memberships.

Yes, I would like to become a member of the Bromwell PTA:
