Amy Smith- how will we access students? How will we form for small groups? Evaluations will be done one on one as well as electronically. There still needs to be more planning around this when teachers return.

What to expect in the coming weeks:

Families will be notified of their teachers
Teachers will schedule times to meet 1:1 in small groups in outside spaces
Teachers will transition from platoon to traditional models with traditional homerooms (called learning sleuth groups)

Aug 13th back to school night

Week of August 17th- school supply pick up, Bromwell bear gear for sale, end of the week back to school event. Parade? Popsicle pick up? TBA

Week of August 24th- Rituals and routines, LMS training for students and parents, online classroom expectations, opportunities to connect and get to know one another.

PTA ideas: small virtual back to school coffees with parents to provide feedback on the start of the school year for their family.

bromwellnews.com will go live early next week to have up to date information daily for parents for easy access.

Bromwell will be used as a daycare/camp this year.

Can we use our outdoor campus for at least a 1-2x a month interaction with our teachers- gym with Mr Edwards, art with Ms Duffy, sign up for a recess? We will look into this.

Need an update on 1st day school supplies list. Do we pick it up? Teachers will be putting together those materials the week of August 17th. Spirit wear will be selling the week of August 17th. Working on an online spirit store as well. Could we come up with face tattoos, banners, yard signs to support our school.

Make a separate volunteer form for families that can host other families, who are interested in forming pods, making copies, pooling resources, etc.

Current staff openings: 1st grade teacher, .5 music and long term sub for Kindergarten
