

Attendees: Andrea Debick, Erin Phelan, Kelsey McMaster, Sarah Duffy, Sarah Schiffer, Jamie winter, Stacy Trent, Chris Lee, Molly Lucas, Christine Mohr, Melissa Zink, Kelly Urbanowski

START: 6:30 PM

END: 7:16 PM

Agenda:

- Principal Update: Valecia not available, so Kelly U. stepped in with updates.
- Trying to increase students - Kinder at 33, trying to get to 40. CSC meeting is upcoming and available for PTA to listen in. No word on when in person learning will resume. School wide material pick up dates - listed on Flyer and went out in email:
- Melissa Zink: EL - Expeditionary Learning books - we need books and cost will be about \$6100. Going to try and get from Scholastic using Book Fair money, may be able to get at cost thru an outside source. This isn't Benchmark, which is the DPS curriculum, so DPS may not pay for this. Have been making copies, which is more work, but it is do-able. Can we get volunteers to continue help making copies?

Communications Updates -

- Room Parents - all grades and classes now covered, getting class emails lists either from teachers or from Cindy. Room Parents' role will be class events, helping the teachers and for 4th and 2nd grades, coordinating small in-person social dates at playgrounds and/or school.
- Sara Schiffer - Sept 17th - Kona Ice will have 2 locations, about 1 hr 15 min at each location, 20% goes back to school.
- School Portraits on that same day, the 17th - we'll have Kona park in teacher lot and so we can combine picture day and Kona.
- Movie Night - scheduled October 2nd? Probably reschedule to Oct. 23rd? still order and pick up Brother's BBQ and then encourage families to do movie nights and post pictures.
- Annual Fund Update - October 21st thru day before Thanksgiving. Still 1 month but that would mean Fall Break doesn't interrupt the fund drive. Hopefully people are in spirit of giving and many companies do their matching in November. Pass out materials before Fall Break and then big kick off once kids back from break.
- Mici will get dine-outs scheduled, probably 2. Cherry Creek and more to finish out the year with dine-outs.
- Trying to get logged into Amazon Smile, currently we don't have access, but once we do will start promoting.
- Sara working with Curtis Park Deli, Bromwell lunch box - \$1 from each lunch box will go back to Bromwell.
- PTA Meeting shifting from 8:30 am to 10:00 am.
- Ms. Zink believes we are following the DPS calendar. In the past, Bromwell has been able to pick teacher planning days, can pick up to 8, last year we took 4 but this year, we don't believe Bromwell has done that so far this year. Concern - making sure Bromwell calendar includes all breaks and days off.

Membership Update - Erin Phelan

- First year someone in PTA has been dedicated to recruiting. Last year 56 total memberships, currently 20 total.
- Erin also in charge of Annual Fund - wants to provide more ways for people to give, like including family members and company match. More updates at October PTA mtg. Committee members helping from last year, but need more help. Goal is \$100,000 and 100% participation.

General Updates -

- Roving Dinner party postponed until Spring. Shout Out to Mici's for getting out gift cards to teachers!

Beautification Day - table for now and revisit next meeting.
